3. Match Play

3.1. Rules

The following rules shall be in effect before and during play of a single Match.

- The following **“Tournament” settings** must be configured in The Title Game prior to beginning play:
 - Round time: 90
 - Fatal blow damage boosts: On
 - Lowered health bars: Off
 - Environmental interactions: On
 - Arena select: Off
- At the console, **both Players must agree on which side** they will play on (who will be Player 1 and Player 2). If an agreement cannot be reached, a **game of rock-paper-scissors (FT2)** overseen by a Judge shall determine who gets to pick their side. Players are then **committed to the same side for the entirety of the Set**.
- **All characters already publicly released may be selected for a Match**. Should a new character be released, **that character may only be selected if they are available at least thirty (30) days prior to the next tournament** on the Circuit.
- Either Player may request **double blind character selection**. This involves **each Player secretly informing a Judge of their character choice for the first Match**. Both players are to then select their characters, with the Judge validating their character selections. **If a Player fails to select their character as communicated to the Judge, they will be forced to forfeit the first Match**.
- Once sides and characters have been chosen, the Players shall begin the first match in the set. At the end of a Match:
 - If a “Mercy” is performed, the outcome of the Match is delayed, and the result afterwards is then official.
 - **The loser of the Match may change their character** for the next Match. The winner must continue with the same character for the next Match, with both Players on the same sides for the rest of the Set.
 - If the **winner of the previous Match is found to have switched characters for the next Match**, the **Players shall be required to abandon the Match and return to character select**, with the winner continuing with the same character from the previous Match and the loser making any desired changes.
- The **Set ends once one Player wins two matches (FT2) or three matches (FT3)** against the other. A Judge shall be present to monitor the Set and report the final result.

3.2. Violations

It is the responsibility of Players to detect Match play rule violations and report them to a Judge as soon as they occur. Untimely reports shall be ignored, and no action will be taken.

- Non-gameplay violations (such as the winner of a Match switching sides or characters for the next Match) **must be reported before the next Match begins**. Pausing or stopping a Match to address a non-gameplay violation shall result in the **forfeiture of a round** in that given Match for the Player pausing/stopping the Match.
- **Players are not allowed to receive coaching during a Match**. Any Player found to be receiving or have received information that may give them an unfair advantage over their opponent or directly influence the result of a Match during play will be **forced to forfeit the Match**. However, a Player **may consult with one (1) designated coach and look at data before a Match and for a maximum of one (1) minute in between Matches**.
- Pausing or stopping a Match to falsely or mistakenly report a violation shall result in the **forfeiture of a round** in that given Match for the Player pausing/stopping the match.
- **Judges may make note of violations** on behalf of Players. However, **if a Judge stops a match and erroneously reports a violation, the match shall be replayed** under the same conditions (same sides, characters and stages) and no action shall be taken against the Players.
- If a Player **accidentally or intentionally pauses or stops a Match for any other reason**, they will be **forced to forfeit** a round in that Match. **If the round cannot be resumed** from the point of interruption, the Player who paused/stopped the Match will be **forced to forfeit the entire Match**.
- The **inevitable defeat rule** applies for all tournaments in the Circuit. This means that **if a Player legally wins a round but pauses the Match** before the round is awarded, **they will still be awarded the win**. **If there is a dispute** on whether a Player's move would have beaten the opponent, **a Judge will resume the Match and see the result** of the move. **If the round does not end** after the move, the **rules on pausing above apply**.
- **Match interruptions beyond the Players' control**, including but not limited to a power outage or equipment failure, **will be dealt with by Judges, Organisers and/or Tournament Venue staff**. **If the round cannot be resumed** from the point of interruption, **the Match will be replayed** under the same conditions.
- In the event of Player Equipment failure, the reporting Player may either:
 - **Finish the Match** with the current Player Equipment and **obtain a replacement afterwards**, or
 - **Forfeit the round**, pause the Match and **obtain an immediate replacement**. Once a replacement is obtained, the Player may make control configurations and resume the Match.
- Players **may make changes to their Player Equipment in between matches**.

- **All Players shall receive a schedule for the next tournament** they have confirmed their participation for **at least 24 hours prior** to the start of that tournament **via the Savanna Circuit (Mortal Kombat) WhatsApp group** (Players are added upon registration). **Failure to appear for a Match within ten (10) minutes** after its scheduled starting time shall result in the **forfeiture of the Set** for the violating Player.

4. Code of Conduct

The following Code of Conduct has been adapted from the *Fighting Game Community Code of Conduct (Public)* as updated at 3 pm ET on 29 January 2021, with modifications made in consultation with Circuit Players.

4.1. Objectives

This Code of Conduct is guided by the following intentions (hereinafter known as the “**Objectives**”):

- **Inclusivity** – This Code of Conduct is intended to make the Circuit safe and inclusive now and in the future in which everyone feels welcomed regardless of race, color, ethnicity, nationality, sex, sexual or romantic orientation, gender identity, religion, disability, neurodiversity, body size, pregnancy or maternity, citizenship, or any other personal characteristics.
- **Integrity** – This Code of Conduct is intended to maintain and build integrity in the Circuit through consistent and diverse leadership, and fair competition operations.
- **Authenticity** – This Code of Conduct is intended to pursue the above goals of Inclusivity and Integrity while preserving Authenticity in the FGC's unique feel, exciting fun, trash-talking spirit, and dedication to competition, which also reflect on the Circuit as a competition.

4.2. Criteria

Any disciplinary investigations conducted on and disciplinary action taken against a Player (hereinafter known as the “**Disciplinary Process**”) shall be carried out by Savanna FGC, in consultation with a Disciplinary Committee elected within Savanna FGC's community chat forums, with the following guidelines in mind (hereinafter known as the “**Criteria**”):

- **Objectives** – Any disciplinary investigations conducted, and final decisions made on a Player's conduct shall be informed and guided by the Objectives.
- **Location** – Disciplinary action may be taken against a Player under this Code of Conduct regardless of where any Violations take place, including not just at a Tournament Venue but also in hotel rooms, private homes, bars and clubs, social media, public chat platforms and forums, other websites, and so on.
- **Time** – Disciplinary action may be taken against a Player under this Code of Conduct for Violations committed before this Code of Conduct was first adopted, as long as those Violations form part of an ongoing pattern that indicates that the Player is likely to engage in more Violations in the future.

- **Excuses** – Violations will not be excused just because Players may have committed them under the influence of alcohol or drugs or any altered state of mind.
- **Standards** - This Code of Conduct does not replace the legal system and cannot produce decisions as severe as those of the legal system. As a result, the Disciplinary Process should not and will not be bound by the standards and processes that might apply in a court of law. The Disciplinary Process will be based on Savanna FGC's reasonable understanding of the facts of each case.
- **Consistency** – The Disciplinary Process is intended to be consistent and foreseeable enough that Players should expect to face consequences for Violations. That said, no two situations are the same, and different cases may have different outcomes.
- **Conflicts of Interest** – When any person who would normally participate in the Disciplinary Process is confronted with a case involving any of their family members, close friends, romantic or sexual partners, or business partners, they shall be required to inform Savanna FGC about that conflict of interest and withdraw themselves from any role in that particular case.

4.3. Violations

- **All Players are expected to exhibit good sportsmanship and maintain respect for one another and for all Organisers, Circuit spectators and Tournament Venue staff.** Players must follow all instructions given by Savanna FGC.
- **Players are expected to play at their best at all times** within the Circuit and to avoid any behaviour inconsistent with the principles of good sportsmanship, honesty, or fair play. **Any Player behaving inappropriately, or not competing in compliance with these Circuit Rules, as determined by Savanna FGC in their sole discretion, may be immediately disqualified from the Circuit and forfeit all prize money won.** Further, Savanna FGC reserves the right, in their sole discretion, to ban disqualified Players from any future Circuit event or other event organized by Savanna FGC.

orientation, gender identity, religion, disability, neurodiversity, body size, or any other personal characteristics.

- DDOSing, swatting, spreading malware, phishing, hacking into any person's accounts, or intentionally, recklessly, or negligently damaging, tampering with, or interfering with any person's property, platform, equipment, other possessions, or network connection.
- Scamming or engaging in fraud, impersonation, or defamatory statements or behaviour against any person.
- Tampering with and/or fixing any Match or Set, colluding (e.g. any agreement between two [2] or more Players to pre-determine the outcome of a Match or multiple Matches), substituting or being substituted for any other player during a Match, or Set without good faith permission from the Organizer, using disallowed game code exploits, or any other unsportsmanlike conduct with the intent to disrupt or undermine the legitimate operation of a Match, Set, or the Circuit as a whole.
- Offering any gift or reward to a Player, Organiser, Tournament Venue staff or Savanna FGC for assistance designed to provide a competitive advantage to the person offering the gift or reward or designed to impose a competitive disadvantage on any opponent.
- Betting or gambling on your own performance or the results of any Match or Set on the Circuit.

5. Appearance Release

- By participating in the Circuit, **each Player hereby irrevocably grants Savanna FGC permission to film, photograph, record and stream the Player's performance in the Circuit itself and in other Circuit-related activities**, including the Player's name, username, logo, avatar, gamertag or equivalent, voice, statements, likeness and other personal characteristics, information and so-called publicity rights as they appear therein (collectively known as the "**Appearance**") and **the right, but not the obligation, to distribute, exploit or otherwise use such Appearance**, in whole or in part, in any and all media, now known or hereafter devised, throughout the Universe in perpetuity for any purpose, including but not limited to, advertising, marketing and promoting the Circuit, Circuit-related activities, Savanna FGC, the TEKKEN 254 website and future tournaments.

If under applicable law the foregoing is not effective to place authorship and ownership thereof and all rights therein in Savanna FGC, then by way of assignment and transfer of present and future copyright and otherwise, **each Player hereby irrevocably grants, transfers, sells and assigns to Savanna FGC, all of their right, title and interest in and to the Appearance throughout the universe in perpetuity**. Each Player agrees to execute such further documents and to do such further acts as may be necessary to evidence, effect, perfect, register, or enforce Savanna FGC's ownership of such rights.

Accordingly, if under any

applicable law, the above waiver or assignment by a Player of moral rights (*droit moral*) is not effective, then **each such Player agrees to exercise such rights in a manner which recognizes the contribution of and will not have a material adverse effect upon such other parties.**

- **Savanna FGC shall have the right to freely assign its rights hereunder, in whole or in part, to any person or entity.** Savanna FGC shall retain the rights granted in the Appearance even if the Player is disqualified or fails to meet the eligibility requirements as outlined in Section 2.2.

8. Indemnification

- **Each Player hereby agrees to indemnify and hold Savanna FGC harmless from and against any and all third party claims, actions or proceedings of any kind and from any and all third party damages, liabilities, costs and expenses,** including reasonable outside legal fees and costs relating to or arising out of any breach of any of the warranties, representations, covenants, obligations or agreements of the Player under these Circuit Rules.
- The indemnification obligations hereunder shall survive the expiration or earlier termination of the tournament and Circuit.

9. Force majeure

- **Savanna FGC reserves the right to modify, suspend, extend or terminate the Circuit or any part thereof** if they determine, in their sole discretion, that the Circuit and/or tournament is technically impaired or corrupted or that fraud or technical problems, failures, malfunctions or other causes have destroyed, corrupted or undermined the administration, security, fairness, integrity, proper play or feasibility of the Circuit, a tournament or any portion thereof as contemplated herein.

Savanna FGC shall have the right to modify, suspend, extend or terminate the Circuit or tournament.

- **Savanna FGC, in their sole discretion, may require the replaying of any Match, or declare any Match or other phase of the tournament or Circuit null and void by reason of any of the foregoing.** In the event Savanna FGC determine, in their sole discretion, that any individual Match or other phase of the tournament or Circuit, has been tampered with or that the validity of any Match or other phase of the tournament or Circuit has been compromised for any reason, it may eliminate that Match or other phase of the tournament or Circuit, and may conduct the tournament or Circuit on the basis of the remaining Match and/or other phases of the tournament or Circuit.

10. Invalidity

- **These Circuit Rules and any other agreements referenced herein constitute the full and complete agreement and understanding between each Player and Savanna FGC in connection with the Circuit** and replace and supersede all prior negotiations, agreements or understandings that may have been entered into between such Player and Savanna FGC with respect to the subject matter hereof.
- **These Circuit Rules cannot be modified or amended in any way except by a written instrument signed by Savanna FGC.** The waiver of any term, condition, or breach of these Circuit Rules shall not be deemed to be a waiver of that breach or any other term or condition in the future. The invalidity or unenforceability of any provision in these Circuit Rules shall not affect the validity or enforceability of any other provision. In the event that any provision is determined to be invalid or otherwise unenforceable or illegal, these Circuit Rules shall otherwise remain in effect and shall be construed in accordance with their terms as if the invalid or illegal provision were not contained herein.
- **The use of the neuter pronouns “they”, “them”, “their” and any variations thereof in these Circuit Rules shall be deemed singular or plural and shall be deemed to include the masculine and feminine genders as well,** as the context may permit or require.
